

Monday's **Keynote** "Call and Response"

<i>When they say or refer to...</i>	<i>You yell out...</i>
"Thermo"	Loud cough
"Economy"	"Hissssss"
"Mobile"	Loud "Ha ha"
"Ubiquitous"	Hold up your cell phone (like lighters at a concert)
"Experience Matters"	Ooooh!
Towards the end of the keynote...	Periodically yell "Bingo"
