Help Us Stop Him!

Do Not Become a Target

The alleged perpetrator's normal mode of operation is to make and post videos that answer "Why?" such as "Why Flash?"
He proceeds to mock the subject he's claiming to support and makes false claims. Normally, all suspects are considered innocent until proven guilty—but not in this case.

DO NOT ATTEMPT TO APPREHEND!!

Watch These Videos!
Familiarize yourself with this suspect. If you see him, immediately contact your local law enforcement agency or the legal departments of Adobe, Apple, Google, Yahoo, or Microsoft. You may be eligible for a reward copy of Adobe Master Collection for information leading to an arrest.

Let's put this creep behind bars.
